San Fernando - Assemblymember Cindy Montañez co-hosted the third community meeting on Wednesday, April 28, 2004 with the City of San Fernando and Pacoima Beautiful regarding the vision planning and design for the Pacoima Wash Mountain Parkway. Presenters at the meeting included Cal Poly Pomona's Studio 606 and the Santa Monica Mountains Conservancy. Discussed were plans to transform the

concrete path along the Pacoima Wash into greenways, bike and jogging paths, linear parks, and even possibly a small amphitheater. Studio 606's semester project will be complete in June, providing the first firm set of vision plans for the Pacoima Wash Parkway. An unveiling community meeting is scheduled for June 17th at a location to be determined.

Pacoima- Assemblymember Cindy Montañez, and the California Highway Patrol (CHP) hosted a safety fair on April 17, 2004 to promote compliance with California's car seat safety law. The CHP replaced sixty-seven non-compliant car seats during their one hundred free child seat inspections. Pacifica Hospital of the Valley also provided diabetes, cholesterol and blood pressure screenings, body fat analysis, and many other free services.

Pacoima- Assemblymember Cindy Montañez, Service Employees International Union (SEIU), and The San Fernando Valley Organizing Committee of Child Care Providers co-sponsored the First Annual Child Care Provider Resource Fair, which took place on Saturday, May 8, 2004. The fair offered free health screenings, information on free and low cost child care, services for child care providers, free entertainment and food, crafts for kids, and raffles.

Assemblymember Cindy Montañez and local firefighters closed the festivities with a discussion on child safety with parents and child care providers.

EVENTS

Assemblymember Cindy Montañez will host her third "Coffee Break" community meeting with constituents to discuss ideas, questions and concerns about legislative issues at a local bakery.

Saturday, May 15, 2004 @ 9:00 a.m. to 10:30 a.m.

La Adelita Panaderia
8255 Sunland Blvd., Sun Valley
